DR. FRANCIS H. DOLAN

Dedication

The 1968 edition of Ell Ess Pe is sincerely and lovingly dedicated to Dr. Francis H. Dolan, who is retiring this year after devoting thirty-seven years of his professional career as teacher and administrator at La Salle-Peru Township High School. Dr. Dolan holds bachelor of science and master of arts degrees from the University of Minnesota in 1928 and 1932, and a doctorate from Colorado State College in 1953. Before coming to La Salle-Peru as a teacher of mathematics in 1931, he spent a year each at de La Salle High School, Minneapolis; St. Thomas Military Academy and College, St. Paul,

and Sault Ste. Marie, Mich. high school. Dr. Dolan became assistant superintendent in 1937 and superintendent in September, 1947, after the death of Dr. Frank A. Jensen. He also became director of La Salle-Peru-Oglesby Junior College that year and director of its successor, Illinois Valley Community College in 1966.

We, the members of the 1968 Ell Ess Pe staff, on behalf of the student body, the faculty, the board of education, school staff members and the general public, respectfully dedicate our volume to the man who gave tirelessly so many years to the educational advancement of our school and our community. May his years be happy and long!

Miss Sponder,

nicest teachers

Your teaching

In color, students in the library before an original oil, "The Easter Sacrifice," by Francisco Solimena (1657-1747); the main building, including entrance to Matthiessen Memorial Auditorium; welding in industrial arts department; drum majors and Air Force ROTC color guard. In black and white, Illinois River scene, and a stained glass window, gift of the graduating class of 1927.

Shelley Cowley, 1967 Homecoming Queen

Queen Shelley grasps the bouquet of roses presented after she had been announced as Homecoming winner. Chris Dicrispino and Eliana Correa, court members, in background. A splash of color from Homecoming. On page 10, Queen Shelley and John Nicoli with court: Chris DiCrispino and Tom Ficek; Barb Clay and Louis Orlandi, Eliana Correa and Craig Cattaneo, Kathy Kinczewski and Peter Kratz, Jill Smith and Bob Yelverton, Louise Pacholik and Jon Stachowiak. Page 11, prize winning floats. Top, first prize winners, Band and Mr. Wilson's Sixth Period Sophomore speech class; *SECOND ROW*, second place winners, Pep Club and French Club; third from top, third place winner Spanish club; bottom, third place winner. Mr. Sheaff's Home Room 308. Float pictures provided by Student Council.

The work which went into the building of floats for the Homecoming parade was forgotten in the happiness of creating the novel entries and the pleasures of togetherness. Mr. Wilson (back to camera) pitches in with some of his Sixth Period Sophomore speech class as they create the doghouse for their "Snoopy" float Happiness is Victory, which was a first prize winner.

"Boil the Boilermakers" was one of a series of posters painted by Pep Club artists for display in the corridors before athletic events. This one was made for the Kewanee game.

Two members of the coaching staff discuss some of their strategy in a corridor huddle. Mr. Hanley, left, headed the Sophomore football coaches, and Mr. Skibinski, in addition to being athletic director, was head coach of the winning Freshman football squad.

Cheerleaders stand in wait for their next "bit" during a football pep rally in the boys' gymnasium. These are both varsity and Sophomore squads.

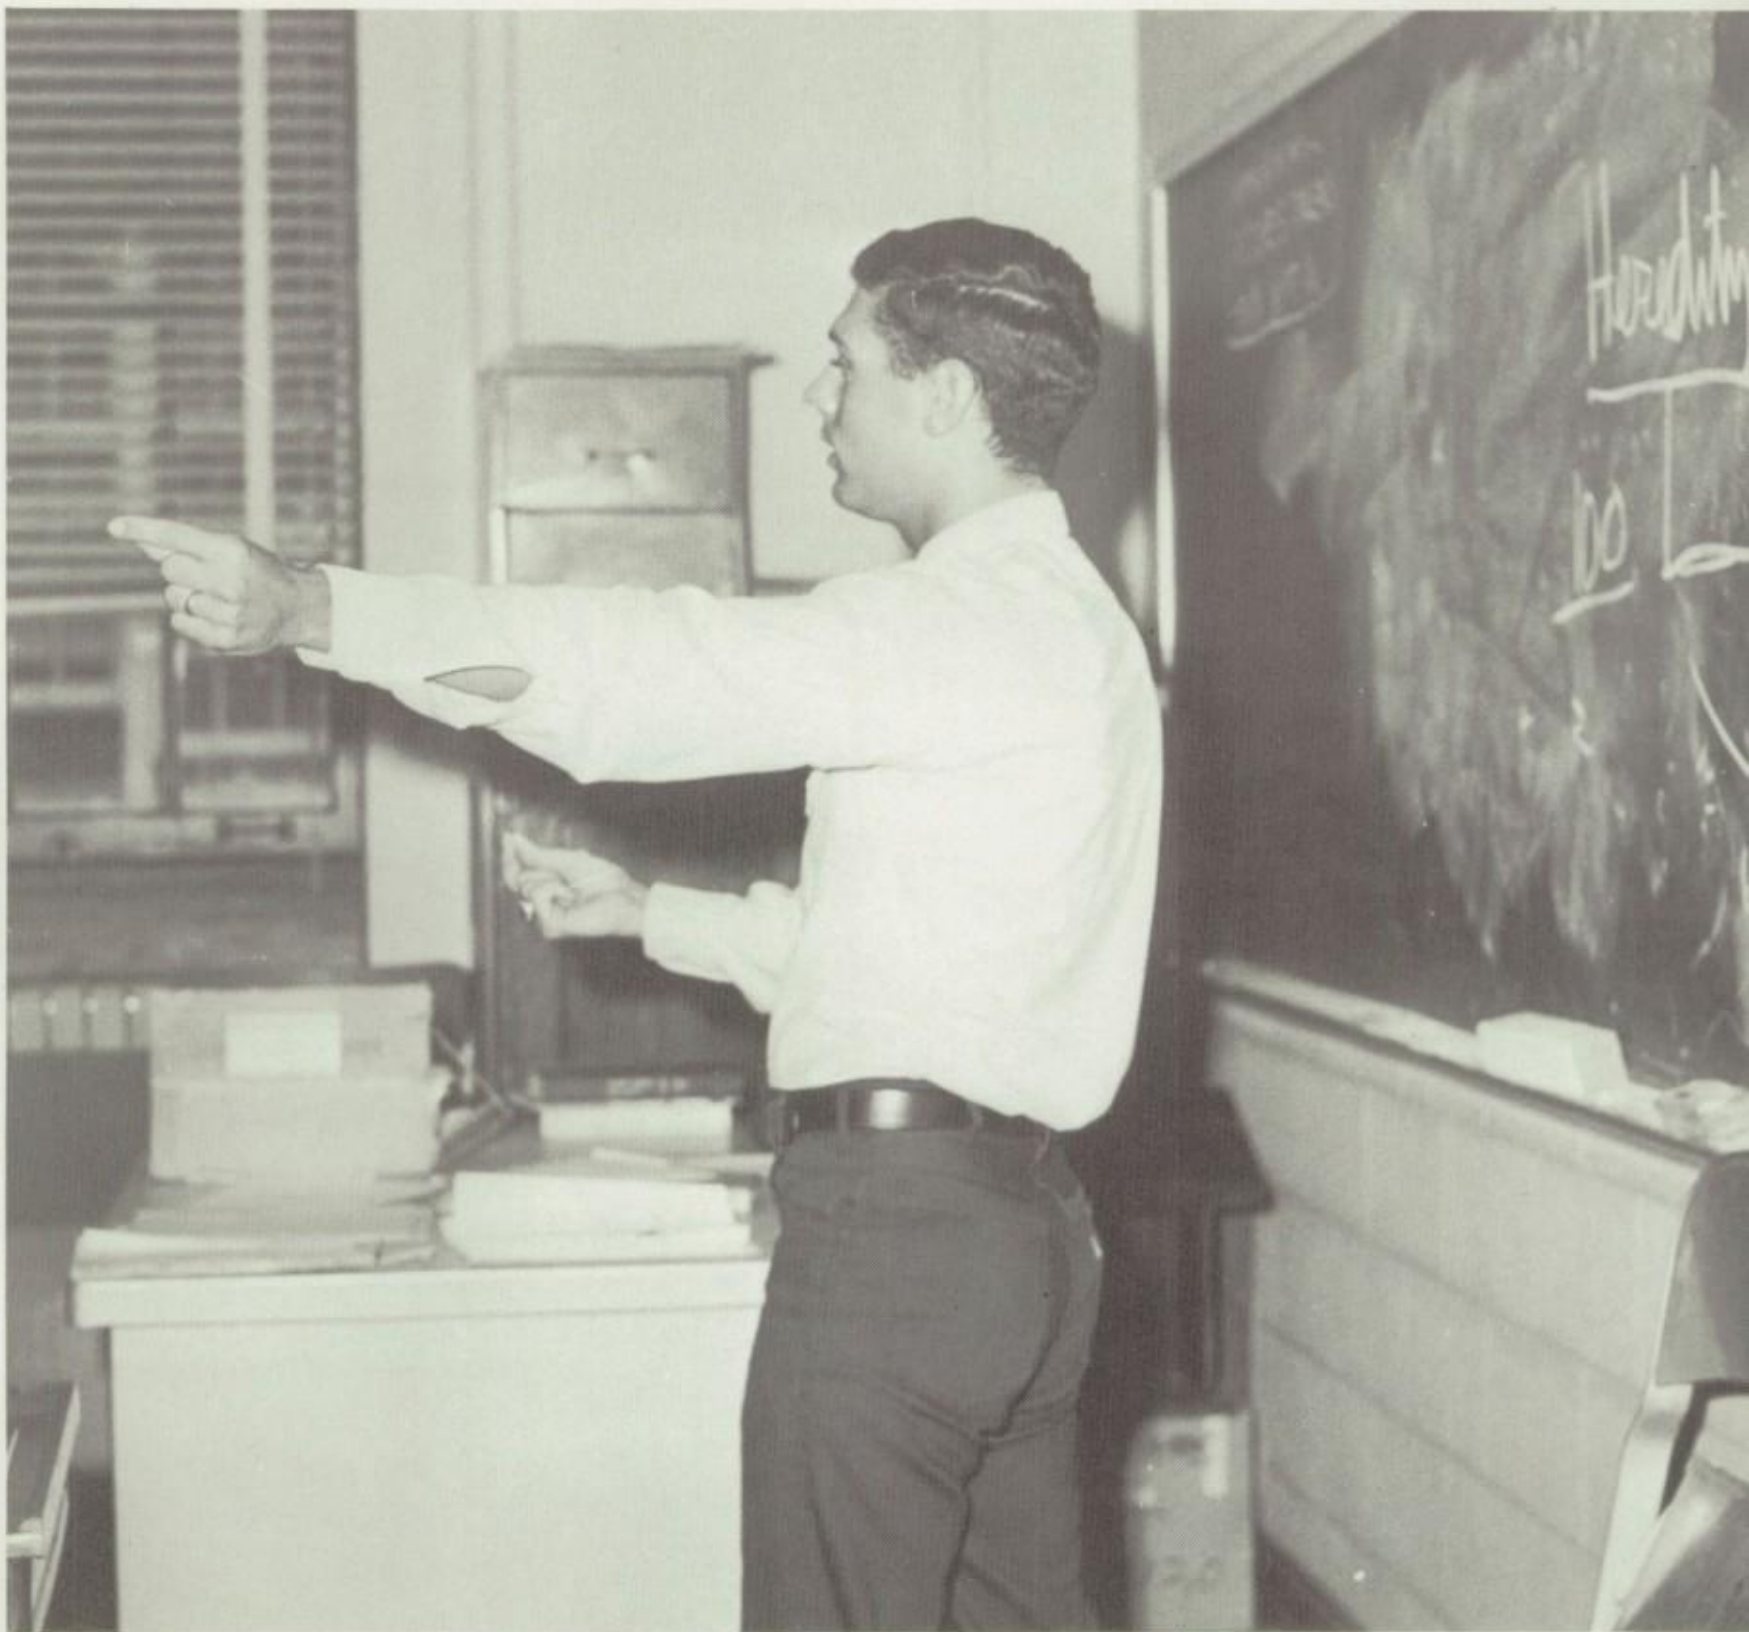

Here is the material the cheerleaders had to work with. Students stand up to cheer their players at one of the pep rallies. The Cavaliers and the Incas went on to win, naturally.

One of the fixtures in the school's facilities is the language lab, which was part of the building addition. Here students listen intently with earphones to a foreign language lesson. Classes meet in the lab twice a week.

Freshman Open House was observed on the night of November 2. Some of the parents are shown leaving the auditorium after enjoying a program and heading for meetings with classroom, homeroom teachers, deans and counselors.

Miss Sponsler,
To one of my nicest
teachers I've ever had.
I have enjoyed this year

I hope I have you next

FRESHMAN PARENTS' NIGHT

Freshman Open House was held November 2. A program was presented in Matthiessen Memorial Auditorium and parents had an opportunity to meet classroom and homeroom teachers, counselors and deans.

Supt. Francis H. Dolan welcomed the parents and the class officers were introduced by Mr. Richard Benvenuti, a counselor who is also Freshman class chairman. The Freshman band played three selections and the class chorus sang four numbers.

The band played "Four Square," "March for the King's Regiment" and "La Bamboosle." The chorus sang two Negro spirituals, "Kanon," "Tico-Tico" with Fred Dransfeld at the organ, and "This is My Country" with Fred at the organ and Susan Salsi at the piano.

The choral groups and bands of La Salle-Peru have brought our school state and national acclaim through the past years.

A Student Council Meeting

President James Ramenofsky conducts a weekly meeting.

The minutes are read by the secretary, Shelley Cowley.

Some underclass boys in the council.

And here are some girls.

Council Has Many Activities

The La Salle-Peru Student Council has many activities, in addition to holding weekly meetings to discuss student problems, the welfare of the school and to plan various events.

One of the annual undertakings is the distribution of Thanksgiving baskets. Some of them are being made ready for delivery in the picture at the right.

Before the opening of school each fall, members of the Student Council assist during Freshman Orientation Week, taking the entering students on tours of the buildings and showing them to their homerooms.

For Homecoming, the Council sponsored the rival of a parade after a lapse of several years, and rewarded the winners by paying for their pictures in color for the opening section of the 1968 Ell Ess Pe.

Some Freshmen girls get advise from President Ramenofsky during Orientation Week before opening of school.

Dick Martuzzo has a personally conducted tour for a group of Freshmen during Orientation Week.

McCormack Memorial Library

The La Salle-Peru Library is the center of learning for students of the school. Spacious and beautiful, the library provides materials for research as well as for leisure reading.

Among the prized possessions of the library are the globe which is the gift of the class of 1944 in reunion July 11, 1964, and the flag which has been flown over the national capitol.

Library assistants devote one hour a day to service in the library. The 15 assistants are valued members of the staff.

Student Center of Learning

Magnificent art treasures lend dignity and beauty to the library. The library area provides seating for 250 readers.

Particularly strong in reference, the library supplies students with many general and special encyclopedias as well as periodicals and periodical indexes.

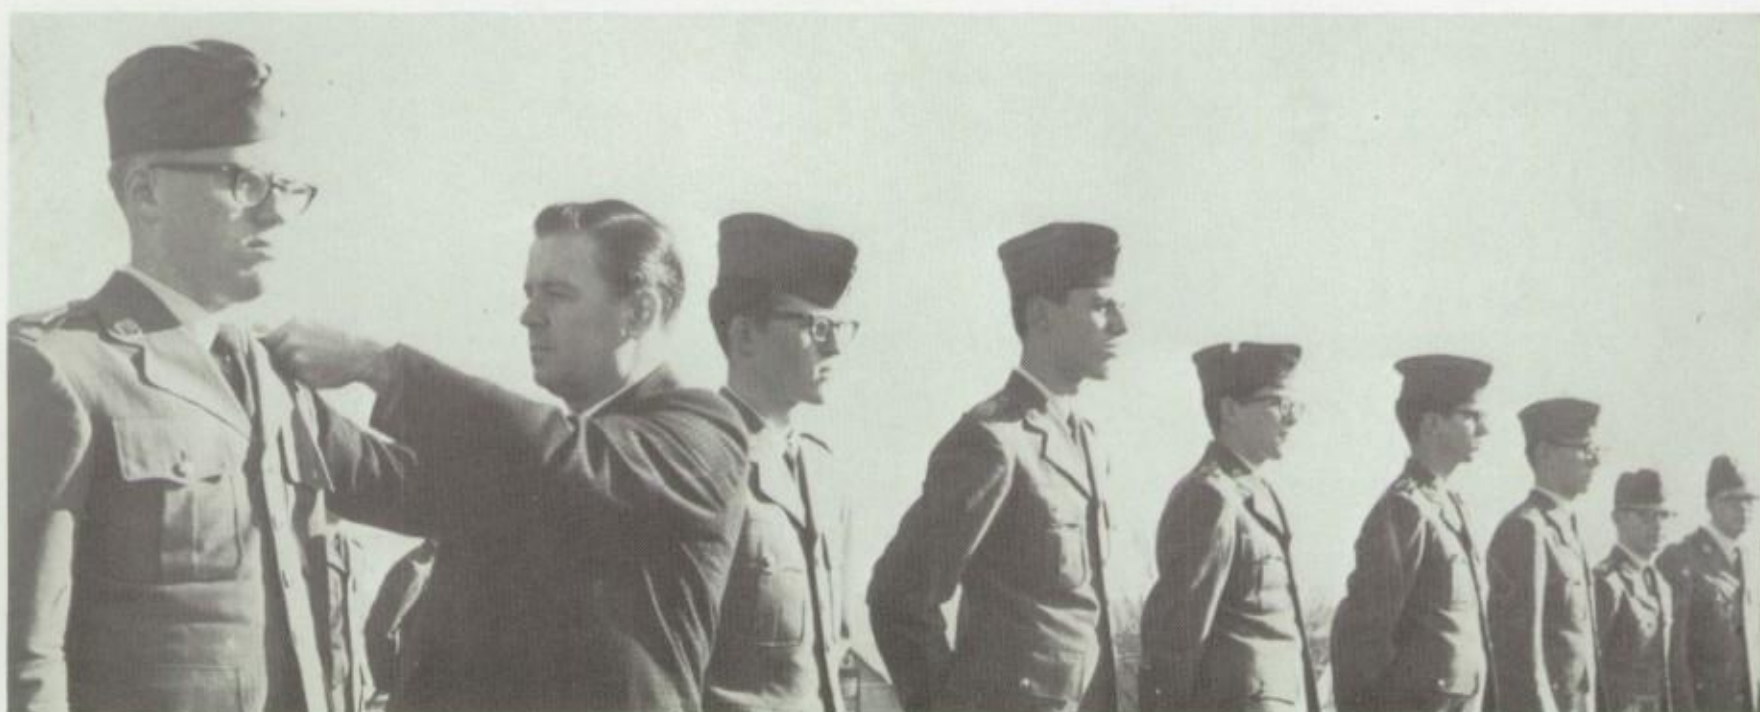

Air Force Junior ROTC New to L-P

La Salle-Peru this year became one of four in Illinois approved for the Air Force ROTC program. Approximately 100 boys enrolled in the 1310th Air Force Squadron, divided into three Flights. The squadron commander is Lt. Col. Robert A. Miner, USAF (Ret.), Aerospace Education Director. His assistant is T/Sgt. Donald Scott. ROTC involved classroom work as well as field drills.

The ROTC squadron members received their uniforms late in September. Here Lt. Col. Miner inspects the unit and straightens the cap of Pvt. Curt Dean. Sgt. Donald Scott takes notes.

Promotion Day for ROTC was November 9. Eight members were advanced to the rank of second lieutenant and each had the insignia of his rating pinned on by Mr. Risk, assistant superintendent. Gary Rydleski gets his insignia. The other lieutenants in line are Robert

Hubbard, James Flower, Gary Ryczek, James Ramenofsky, Gerald Bartashius, David Nave and Michael Kasap. Sixteen others received lesser advancements.

Parade Rest! That's the command here.

Classroom work is very much a part of the Air Force ROTC program at La Salle-Peru.

Miss Sponsler,
 To the nicest & best
 teacher I've ever
 had. I know every
 one of your students
 will always enjoy your
 classes because of the
 great interest you
 show in everyone and
 everything. I may not
 be the best Spanish
 speaker now but I
 enjoyed all 3 years of your
 class.

Luck always
 Marylene Kelly

Miss Sponsler,
 So one of favorite
 teachers. Always remember
 what you've had to put
 up with me for three
 years. Keep your classes
 so interesting and everyone
 will enjoy them as I have
 luck always.

Miss Sponsler,
 Thank you for
 making my past 2
 years of Spanish both
 interesting and fun. If
 all teachers were like
 you, I think students
 would learn more. Luck
 in your future years
 Cindy Hostello

Miss Sponsler,
 To the greatest teacher
 I have. I've really enjoyed
 being in your class. Please
 teach 4th year Spanish next
 year. I don't know how
 you can put up with
 everything that goes on in
 class & be so wonderful to
 everyone.
 Louise Pacholik

Miss Sponsler,
 I just want to tell you
 that you were one of the
 best teachers I have had
 since I started school. You
 made a subject that was
 once hard for me, easy.
 You explained everything very
 thoroughly, which some
 teachers don't. This year has
 been a happy one for me because
 of you. Maybe I'll have you for
 Spanish next year.

Lots of luck,
 Steve Conrad

Paul Guratolo

Miss Spenser,
To one of two of
the best Spanish
teachers I have ever had.
Some day with studying I hope
a lot of Spanish as fluently
to speak Spanish as you very
as you for helping me. I'll always
much for helping me. I'll always
remember you. Hope to see you
next year.

Love Always,
Michelle Scardon

Miss Sponsler
To the best teacher I
ever had and I've had
for two years much luck
in the future.

Thank you again,

P.S. Ist tell Mary Kay to
forgive you for writing
in her name.

O.K. she probably
don't have much
to say anyway.

Miss Sponsler.
To one of the nicest
teachers I've ever had in my
life. Stay this way I might
have you for another year or two.
Luck in everything you do.

Miss Sponaler,

Yo one of the sweetest
teachers I know and the
nuttiest. Remember ^{our} all
flowers and all the
trouble I gave you. I'm
really going to miss
you next year. Always
stay the way you are

Miss Sponster,

To a real sweet teacher
that I've had for two years.
Never forget all the goofy
times all of us gave you!
I'll really miss not
having you for a teacher
but I'm sure I'll see
you a lot. Best of luck and
all the happiness in the
world. Janie Duncan

Miss Sponster,

To one of the best teachers in L.P.
and who I have had for 2 yrs in a row.
Best of luck in the future with your teaching.
Stay as nice of a teacher as you are.

You ARE lucky I
LEAVIN'. THANKS
For the fun.
Dale CONRAD

Miss Sponster,
I could sit here and
write a lot to show how
much I really appreciate
what you did. Even though
you sent me to the dean
I guess I did deserve it. I hope
you will forgive me for all
the trouble I gave you,
although you gave me some
back? Don't forget the time
you struck me, I should
have you put in jail.
Some day you will get
a bill for rental on my
truck. A ride to Penny's
and using it for the picnic
should come out to about
thirty dollars? I have to
admit you were the kind
Teacher (oh, oh) I ever had.
Try to keep your present
policy and you will win
lots of student friends.

One of your
students,

Miss Sponster,
To the best (no lie)
teacher at L.P. and the
nicest I've ever
had. I hope I
not you next
year and never
forget me or any
of the "gang". Best
luck, Karen

Good Luck
 Randy
 To Miss Sponsler - a teacher that has let me say I've never had a teacher like her. I don't know how much good it did for other students, but at least I felt some better luck in the future - & may you be lucky enough not to get another student like me.

Miss Sponsler,
 To the best teacher ever had. Keep and the way you do and the bids you make at the end of the year.

Miss Sponsler,
 To the best teacher a student could have. I'm really sorry these three years of Sponsler are coming to an end. Maybe I was a better student who had tried a little bit harder I would be able to have again next year - Addie

Miss Sponsler,

To a real great maestra
that I've had for two years,
I'll never forget everything
you taught me and everything
that Dick Martuzzo & I taught
you. Lots of happiness in
the future.

Miss Sponsler,
To one of the best
teachers at P. I really
did learn a lot, even if
it doesn't show. Thanks for
everything you've taught me.
I hope you will always enjoy
teaching at P, as much as the
students have enjoyed having
you teach us. Michelle Kleptak

You've really made
Spanish a lot of fun.
Too bad I'm not taking it
next year in J.C. But I love
it.

Miss Sponsler,

To a muy, muy, muy wonderful
teacher I have ever met. I really
enjoyed being in your class these
last 3 years. And I look forward
to being in your class next year.

Luck always

Señorita Sponsler,

To look at my
progress you may be
disappointed, but I'm
just slow. I'd like to
say "gracias" for putting
up with me. Because
you taught more than
the language, you also
told about certain customs,
that I'm interested in
the subject, so I'll be
taking it again next
year. Adios for this
year.

Miss Sponsler,
 the common practice
 of today is to write
 praise of the individual
 in whose yearbook
 you are writing.
 I'm sorry, but,
 that's all I can
 think of for you.
 Being the only teacher
 I've had for 2 yrs,
 your characteristics
 are very evident to
 me. Your ability as
 a teacher overwhelms
 me, but your patience
 is what impresses me the
 most. It's something I wish
 I had. Your ability to get us to learn
 is one thing I'll never forget. Best
 wishes
